Our Motto

“Serving with Pride”

For the Community:

- We provide the residents the very best that we can offer at all times.
- We are a part of the community and will always operate as a community-oriented organization.
- We act to resolve problems or issues in the most expeditious way possible.
- We interact with the citizens in a manner that reflects well upon the Bayshore Community, Lee County Florida, and our organization.
- We are committed to providing quality service to the community through the most innovative use and development of resources.
- We are dedicated to meeting the increasing service demands with minimal financial impact to the citizens.

For the Department:

- We support the Mission Statement by being the very best.
- We recognize that fire suppression, fire prevention, public education, hazardous materials, and emergency medical services are of equal importance.
- We maintain a positive and professional attitude.
- We respect individuals and their unique contributions.
